

U3A RAMBLE WILSON BOTANIC PARK, BERWICK - SEPT. 10th 2024

After a long train ride to Berwick and a pleasant 2km walk to the gardens, 8 Ramblers enjoyed a warm Spring day exploring this delightful park, formerly a bluestone quarry, with it's several lakes, lookouts with extensive views and interesting basalt rock formations.

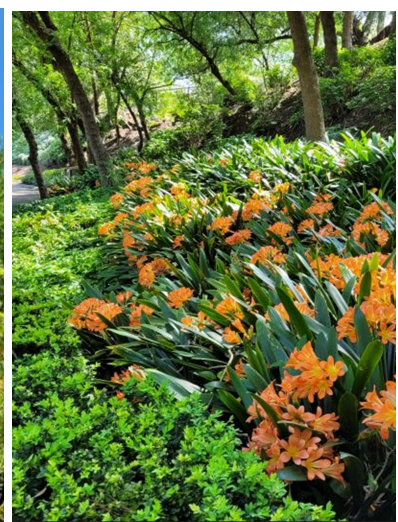

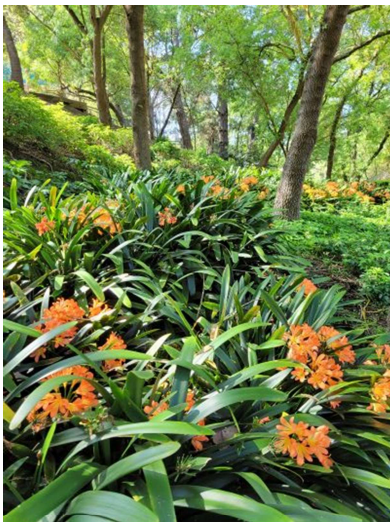

Lilypad Lake

Anniversary and Basalt lakes

Hoo Hoo tower and lookout

Basalt quarry face and fossil site

Ben's Lookout
