

U3A RAMBLE – STUDLEY PARK MYSTERY WALK – March 18th 2025

Kim guided us through the Studley Park area commencing at the Boathouse by the river. Instead of turning right or left to walk along the river trails, we walked up the hill, crossing Studley Park road, to explore the little residential pocket of Kew to the south.

Some of the many contemporary 'residential wonders in this area of Kew

The Carmelite Monastery provided a respite on the way

Elevated houses on each side of Laver St. Was the road originally a stream? (laver = wash)

The old and the new
