

U3A RAMBLE MAY 13th 2025 – ELSTERNWICK & ELWOOD YALUKIT WILLIAM RESERVE

When last we visited 2 years ago, the reserve was just being established on the site of the old Elsternwick Golf Course. Now developed into an extensive open public space, the planting has grown, but less water in the chain of ponds due to the current drought conditions.

Rock walkways through the chain of ponds

Rock and tree stump arrangement

Magnificent eucalypt

Chain of ponds

POINT ORMOND

Great views of the city and the bay from this vantage point

Ramblers enjoying the view

A lone runner ascends the hill

ELWOOD CANAL

Views from the entrance to the bay upstream to its beginnings at Elster Creek
