

## 3 dimensional cards

Twisted ribbon card made with simple leftover paper strips. Gives a lovely dimensional look to the card.

Texture paste with a bit of paint for colour is used to give a dimension in this case to the text on the card. Combined with a patterned paper background

Digital stamp used with alcohol inks to colour on gloss paper. One flower is cut and shaped and backed with foam tape to give an added dimension to the card

Simple embossed card that has been ink blended lightly to add colour and highlight the embossed flowers

Quilled flowers bunched on a background that has been lightly stamped with a trellis design

Multiple layers of stencils, embossing, paper strips and topped with a die cut layered and simple shaped paper flower.
