In doing so she specifically explores our relationship to Melbourne's environment, Yarra River and Banyule's waterways, making large-scale public art installations for Melbourne Docklands, Tilde New Music Festival, Testing Grounds, Hatch Contemporary Arts Space, Banyule's WaterMarc, Warringal Shopping Centre and currently in Ivanhoe Library.</p>

Its coverage is amazingly similar to our own legal structure 3,800 years later and became the basis for most legal systems around the Middle East, including ancient Israel. He introduced a radically new conception of England's role in European affairs, was a composer of music, an art patron, dutiful king. His untimely death plunged England into chaos.
